Sussex Healthcare would like to invite you to attend our certificated course on Huntington's Disease. This is a unique opportunity for you to hear from some of the leading scientists, doctors, nurses and other professionals working in this area and meeting the needs of those living with Huntington's. This will give all those attending the opportunity to discuss and exchange ideas on the care and well being of those living with Huntington's.

**Learning outcomes**

- Will have a better understanding of what is happening in the world of research in Huntington's Disease today.
- You will hear first hand of how this disease affects families and how important the larger HD family is to everyone both in supporting them and finding a cure.
- Have a better understanding of what we can all do to help them have a better quality of life.
- Come away with a better understanding of Huntington's Disease and how to support those living with it and become part of a larger network of those who can help support us to do this.

Confirmed Speakers: Professor Michael Hayden  
Dr Ed Wild, Consultant  
Dr David Craufurd, Consultant  
Rachel Taylor, Specialist HD Nurse
